

# Engine control cables

## Technical Data

## Engine control cables

A complete range of control cables to suit all applications available in “standard”, “midrange” and “supreme” styles.

CC2300

CC3300/33C

CC1790

CC2050

### Key Features

- All cables have stainless steel end terminals
- Standard cables use stainless steel Lubri-core core wire for smooth operation and long life
- Midrange cables use a heavier jacket and stainless steel Lubri-core
- Supreme cables use a specially coated core wire
- All cables are available in 25cm increments
